100 Days of Python Pledge

I __Prakash Sahu__ am committed(loosely) to completing the 100 days of Python challenge.

I hereby pledge to work for at least an hour on Python programming for 100 days.

I will keep myself on track, even though some days I might feel tired or frustrated.

I will keep myself accountable, even though I have lots of things to do, I will make this a priority in my life.

I will overcome difficulties and achieve my goal.

I will become a DevOps Engineer.

I believe in myself.
